Good afternoon Sean.

DEQ reviewed the letter titled "Proposed Methods for the Substantial Product Accessibility Analysis, Gasco Sediments Site" dated October 3, 2013. Our comments are attached.

DEQ's comments are intended to supplement Industrial Economic, Inc. October 18, 2013 comments prepared on behalf of the five stakeholder tribes, and CDM Smith's comments provided in an e-mail dated November 8, 2013.

DEQ appreciates the opportunity to provide comments on the letter and EPA's consideration of our request for additional time to conduct our review. Thanks again.

Please feel free to contact me with questions regarding this e-mail and/or the attached comments and hope you have a great weekend.
